Our menu can be tailored to your event, so let's talk!

We provide food and drink from carefully chosen suppliers, mostly local, which can include:

- **Drinks:** we are proud to serve 200 Degrees coffee, roasted in Nottingham and freshly ground in Van Henri. A range of teas and cold canned drinks are also available.
We offer a delicious hot chocolate made with fresh steamed milk and our iced coffees go down a storm in the Spring and Summer. We always offer decaf teas and coffees and alternatives to dairy milk.
- **Alcohol:** we may be able to serve alcohol for your event – please contact us to discuss.
- **Cakes:** many of our cakes are home baked, we also use a fabulous bakery that supplies some of the region's leading independent coffee shops. We cater for vegetarians and vegans and offer Gluten Free options.
- **Breakfast:** we can provide pastries (pain au chocolat, croissants and more) as breakfast options along with porridge oats and fresh orange juice. We offer hot, premium bacon and vegan sausage cobs for certain events.
